

## Trainee Service Engineers at Mantrac Ghana Limited

[Apply Now](#)

Company: Mantrac Ghana Limited

Location: Ghana

Category: architecture-and-engineering

Mantrac is Ghana's sole authorized dealer for Caterpillar Earthmoving, Construction, Power System and Lift Truck Products. In order to advance our position as the market leader.

### Description Of Job

We invite applications from highly motivated and suitably qualified Motor Vehicle Mechanics/Technician holders for employment in the service department of the company. The Mantrac Trainee Service Engineer Program is designed to train and develop Workshop and Field Service Engineers who will be able to meet Caterpillar Standards at the leading edge of technology.

### Qualification Required & Experience

- A minimum of MVT Part 3 or a Higher National Diploma in Mechanical Engineering
- BSc Mechanical, Mining, Agric and Electrical Engineering will be an advantage

### Requirements:

- This is a challenging role that will require the Trainee Service Engineers to work in a "hands on" position in conditions that are remote, noisy and dirty
- Caterpillar Technician for Africa online course must be completed prior to employment.
- Trainees must be dedicated to continual training and development throughout their careers
- Must be able to communicate well in the English Language and be a team player
- Must be computer literate especially with MS Office Suite and the internet

**Location** Accra, Kumasi & Takoradi
